

Contract for Teaching Mini Workshops

AGREEMENT/CONTRACT to be signed and returned to IKC Faculty

As a current member of TFHKA, and a currently updated TFH Instructor, I agree that when teaching the following workshops:

- Kinesiology for Kids
- Perceptive Vision
- Eat Right! Live Right
- Healthy Pets

For Manuals~

- If Teaching in Person** – Once I sign this agreement, I will purchase and use the pdf of the workshops from TFHKA (one-time purchase) and be able to use it to make unlimited **HARD** copies **only**.
- I understand and agree that I do NOT have permission and will not send the pdf to others, and will only print them as hard copies when I teach.

- If teaching online** – If the students would like a hard copy, then you will need to mail it in advance. If the student wants an eBook, it is now available online through the IKC eBook Shop. It is a one time purchase/download and cannot be shared. The cost will be to the student to purchase it.

(the certificate credit/codes can be ordered in advanced so you can potentially hand out certificates in class)

- I can advertise my class by entering it in the class section and receive the official IKC certificate when I register my students thru IKC www.ikc.global
