

Instructor Agreement for Teaching TFH Online

To conduct TFH Classes online I AGREE TO:

1. Maintain quality as in a face-to-face class.
2. Enter the word “Online Solo, City” or “Online with a Partner, City” in the field called “place” where you would normally fill in the name of a city and/or country.
3. Distribute and collect class agreement and evaluations from participants.
4. Inform students that they are highly recommended to attend an in-person class after taking TFH Synthesis online, prior to TFH Proficiency and TFH TW. (see Online Guidelines 3.2)
5. Inform my students that they are required to take a minimum of 8 make-up hours of TFH Synthesis (TFH Bridging Workshop) in person be certified to teach TFH Synthesis in person. The syllabus of the make-up class may include but not be limited to muscle testing, 42 muscle tests, surrogate testing, reactive muscles, postural analysis and postural stress release. (see Online Guidelines 3.5 and Attachment 4)
6. Inform students who have taken TFH Synthesis online that they must take a required minimum of 3 additional hours of training from faculty or trainer (either online or in person) of their area/country to be certified to teach in person.
7. Inform my participants that TFH Workbooks are available to help to assess their learning outcomes.
8. Teach **LIVE** TFH online classes ONLY. Live online sessions are attended by all participants in real time (live) using video and audio.
9. Not to use pre-recorded online webinars.
10. Not to share or post any recording of the online class.
11. I understand and abide by the guideline number 10 before registering my students.
12. If any students from other countries wish to register for my TFH online classes, I will contact the faculty of their country of residence prior to the class so they are aware of the student and can assist with the creation of a training plan.
