## Student Enrollment Agreement for Online Touch for Health (TFH) School courses

As a student of Touch for Health School, I understand and agree that:

1. I agree to follow the Touch for Health self-responsibility model when studying and practicing Touch for Health.
2. I understand that Touch for Health does not claim to cure, treat and diagnose diseases, or prescribe, and I will not imply that using Touch for Health techniques will do so.
3. In order to teach this or any other Touch for Health classes, I must complete the required curriculum and hold a valid Instructor certificate of the TFH School of the IKC.
4. I understand that the IKC owns all intellectual property in the IKC logos, and the written and electronic syllabus materials, certificates and some teaching manuals.
5. I understand that Touch for Health is trademarked, and the materials used in Touch for Health are copyright protected.
6. I will not record or distribute any part of the online Touch for Health class. I understand that I may ask permission to record specific parts of class and demonstrations for my personal use and study.
7. I understand that in order to be certified to teach TFH Synthesis in person, a minimum of 8-hour make-up (Bridging) in-person class is required, before or after TFH Proficiency and TFH Training Workshop.
8. I understand that I must take a required minimum of 3 additional hours of training from faculty or trainer (either online or in person) of my area/country to be certified to teach in person.
9. I understand that TFH Workbooks incorporated in the teaching will help to assess my learning outcomes and are required if I plan to go on through the Proficiency certification class.
10. I agree to fill out an evaluation form when class is completed.
